The farm includes about ten acres of woodland and about ten acres of pasture land, the remainder of the available acreage being arable. The property is well located and adapted for development as a dairy farm.

The improvements consist of a two-story brick dwelling house, a bank barn, hog pen, chicken house and other outbuildings. There are four rooms on the first floor of the dwelling, and five, including a bathroom, on the second floor. S. Tabler and others. The lot is thickly wooded. The trees on it are chiefly oak and of moderate size, but it has some heavy timber. The outlines of the lot are described in the deed from George W. Dudderar, Executor of Samuel Eury, to Jonas Urner, dated May 4th, 1865, and recorded in Liber J. W. L. C., No. 2, folio 588, one of the Land Records of Frederick County.
